How long will this course take?

The time you take to complete your course is entirely up to you. The more hours per week/month you put into your course, the quicker you will have it completed.

Our Diploma courses usually take students 6-8 months to complete based on a study plan of 12 hours a week.

All Nationally Accredited VET FEE HELP courses are competency based which means that you can complete the course at your own pace and complete sooner than the expected completion if you wish.

Recognition and Accreditation

Upon successful completion of this course you will receive a nationally accredited Diploma of Security and Risk Management (CPP50611).

Restrictions and Pre-requisites

Please be aware that this course is only offered for residents living in SA, QLD, NT, WA and TAS. Please call us on (07) 3161 6880 to discuss alternative options.

There are **no specific pre-requisites** for this course.

Ideally participants will have previously completed the Certificate IV in Business or other qualification or with vocational experience in a range of work environments in senior support roles but without a qualification.

Conwal Institute is able to provide advice and assist intending participants to determine the suitability of the program.

Course Reviews

Amanda W, Riverdale WA

Conwal & Associates works well with me and my life as I can study around my other commitments and the best bit is there is no classes to attend or practical component, it's all online. My trainer is very helpfully and gives positive and reassuring advice and comments and there's always the student support staff to speak to as well.

Hocking. M, The Ponds, NSW

Good service and value for money!
